Minutes No. 2 of 7 September 2026

Charity Organization «Charity Fund named after Avhustyn Voloshyn»

PUBLIC OFFER (PUBLIC OFFER AGREEMENT) ON MAKING A CHARITABLE DONATION

1. Terms and Definitions

1.1. Offer — this document, published on the official website of the Charity Organization «Charity Fund named after Avhustyn Voloshyn» (hereinafter — the Fund), which contains all the essential terms of a charitable donation agreement and is addressed to an unlimited number of persons in accordance with Articles 633 and 641 of the Civil Code of Ukraine.

1.2. Acceptance — the full and unconditional acceptance by the Donor of the terms of this Offer by performing the actions provided for in Section 4 of this document.

1.3. Agreement — the charitable donation agreement concluded between the Fund and the Donor on the terms of this Offer at the moment of its acceptance, which by its legal nature is a public agreement (Article 633 of the Civil Code of Ukraine) and an accession agreement (Article 634 of the Civil Code of Ukraine).

1.4. Donor — any legally capable natural person, individual entrepreneur or legal entity that has accepted the terms of this Offer by making a charitable donation to the Fund.

1.5. Donation — the voluntary and gratuitous transfer by the Donor to the Fund, for the statutory purposes of the Fund or for a targeted project of the Fund specified by the Donor, of any of the following assets, without the Fund being obliged to provide the Donor with any goods, works or services in return:

— funds in non-cash form or, in the cases provided for by the Fund's Regulations on Financial Compliance, in cash;

— movable or immovable property (equipment, vehicles, construction and other materials, humanitarian cargo, etc.);

— securities (shares, bonds and other securities owned by the Donor);

— property rights, as well as services provided to the Fund or directly to the Fund's beneficiaries free of charge (gratuitous performance of works and pro-

vision of services, including consulting, transport, repair services, etc.).

1.6. Website — the official website of the Fund on which this Offer and the donation form are published.

2. General Provisions

2.1. This Offer is the official proposal of the Fund to conclude a charitable donation agreement on the terms set out below with any natural person or legal entity wishing to make a charitable donation to the Fund in any of the forms specified in clause 1.5.

2.2. This Offer has been drawn up in accordance with the Civil Code of Ukraine, the Law of Ukraine «On Charitable Activities and Charitable Organisations», the Charter of the Fund and the internal policies of the Fund, in particular the Regulations on Financial Compliance and the Beneficiary Personal Data Protection Policy (as regards the personal data of Donors).

2.3. By making a donation to the Fund in the manner set out in Section 4 of this Offer, the Donor confirms that they have read the terms of this Offer, understand their content and agree with them in full, without any reservations or exceptions.

2.4. This Offer is public, which means that its terms are the same for all Donors regardless of their status and the form of the donation, except for specific arrangements that a Donor that is a legal entity agrees with the Fund in a separate agreement (clause 2.5).

2.5. If a Donor that is a legal entity wishes to make a donation on terms other than those provided for in this Offer (in particular, to receive additional supporting documents, or if the subject of the donation is property or property rights requiring state registration of the transfer of ownership), the parties may conclude a separate bilateral charitable donation agreement, which shall prevail over this Offer to the extent that this Offer contradicts such agreement.

3. Subject of the Agreement

3.1. Under this Agreement, the Donor voluntarily and gratuitously transfers to the Fund funds, property, securities or gratuitous services in the form of a charitable donation, and the Fund accepts such donation and undertakes to use it for the statutory purposes of the Fund in the manner set out in Section 6 of this Offer.

3.2. A donation, regardless of its form, is not payment for any goods, works or services and does not give rise to any reciprocal property obligations of the Fund towards the Donor.

3.3. The amount (volume) of the donation is determined by the Donor independently and is not limited by this Offer, unless expressly stated otherwise on the Website for a particular fundraising campaign (for example, a minimum payment amount resulting from technical limitations of the payment system) or unless it follows from the nature of the subject of the donation (property, securities, services).

3.4. For the purposes of the Fund's accounting, the value of a donation in the form of property, securities or services is determined on the basis of the documents provided by the Donor (commodity and shipping documents, documents on the book or nominal value of securities) and, in their absence, by agreement of the Parties in the acceptance and transfer certificate, taking into account the requirements of the legislation of Ukraine on property valuation where such valuation is mandatory.

4. Procedure for Concluding the Agreement (Acceptance of the Offer)

4.1. Any of the following actions of the Donor, depending on the form of the donation, shall be deemed acceptance of this Offer:

1) for a monetary donation — making a payment through the donation form on the Website (bank card, electronic payment service, etc.), making a bank transfer to the Fund's current account specified in Section 13 of this Offer with the payment reference «charitable donation», or any other action that unambiguously shows the Donor's intention to transfer funds to the Fund on the terms of this Offer (SMS donation, payment through a partner fundraising service connected to the Fund);
2) for a donation in the form of securities — crediting the securities to the Fund's securities account or to another account designated by the Fund, in compliance with the procedure established by the legislation on the depository system of Ukraine;
3) for a donation in the form of property — signing by the Donor and an authorised representative of the Fund of a property acceptance and transfer certificate, which forms an integral part of the Agreement and records the name, quantity and condition of the property transferred;
4) for a donation in the form of gratuitous services — signing by the Donor and an authorised representative of the Fund of an acceptance and transfer certificate for the services provided (certificate of completed works), which records the content, scope and value of the services provided.

4.2. The Agreement is deemed concluded at the moment of: crediting of the Donor's funds to the Fund's bank account — for a monetary donation; crediting of

the securities to the Fund's account — for a donation of securities; signing of the property acceptance and transfer certificate — for a donation in the form of property; signing of the services acceptance and transfer certificate — for a donation in the form of gratuitous services. From the relevant moment the Donor is deemed to have fully and unconditionally accepted all the terms of this Offer.

4.3. An Agreement concluded in accordance with this Section does not require the Parties to sign a separate bilateral paper document, except for the acceptance and transfer certificate for a donation in the form of property or services, the signing of which is a mandatory condition of acceptance of the Offer for such forms of donation in accordance with clause 4.1.

4.4. The Fund reserves the right to decline a donation (to return the funds, to refuse to sign the acceptance and transfer certificate for property or services, to return the securities) without giving reasons, in particular in the cases provided for by the Fund's Regulations on the Prevention of Legalisation (Laundering) of Proceeds of Crime and Terrorist Financing (where the identity of the Donor or the source of the funds, property or securities cannot be properly verified or an increased risk has been identified), and also where the property or services offered are unsuitable for use by the Fund in its statutory activities or their maintenance or use would require costs inconsistent with the charitable purpose of the donation.

5. Specific Features of Certain Forms of Donation

5.1. A donation in the form of property is accepted by the Fund provided that the property is suitable for use in the statutory activities of the Fund or can be sold by the Fund with the proceeds subsequently directed to its statutory purposes. The transfer of property whose circulation is restricted or prohibited by the legislation of Ukraine is not permitted.

5.2. A donation in the form of securities is accepted by the Fund subject to the restrictions established by the legislation of Ukraine on securities and the stock market for non-profit organisations. The Fund may sell the securities received and direct the proceeds to its statutory activities, unless otherwise agreed with the Donor.

5.3. A donation in the form of gratuitous services is accepted by the Fund provided that the content, scope and timing of the services have been agreed in advance with an authorised representative of the Fund before the services acceptance and transfer certificate is signed. The value of the services provided for accounting purposes is determined by agreement of the Parties recorded in the certificate.

6. Designated Purpose of the Donation

6.1. When making a donation (regardless of its form), the Donor may specify its designated purpose (a specific project or programme of the Fund) by selecting the relevant option on the Website, by stating the purpose in the payment reference of the payment document, or by recording such purpose in the property or services acceptance and transfer certificate.

6.2. If the Donor has not specified a designated purpose, the donation is deemed unrestricted and is directed by the Fund (funds — directly, property or securities — after their use or sale) to the statutory activities of the Fund at the Fund's discretion, including administrative expenses within the limits set by the Regulations on Financial Compliance.

6.3. The Fund undertakes to use restricted donations solely for the purpose specified by the Donor, in accordance with Section 6 of the Fund's Regulations on Financial Compliance («Protection of the Designated Purpose of Funds»). Changing the designated purpose of a donation without the Donor's consent is not permitted, except where the specified project has become impossible to implement; in that case the Fund notifies the Donor (if contact details are available) and directs the funds, property or securities to the statutory activity closest in purpose, unless the Donor objects and requests the return of the donation.

7. Rights and Obligations of the Fund

7.1. The Fund shall:

— use the donations received (regardless of their form) solely for the statutory purposes of the Fund and in accordance with the designated purpose specified by the Donor;

— keep documentary records of the donations received, including property, securities and services, in accordance with the Regulations on Financial Compliance;

— publish on the Website, or provide at the Donor's request, general information on the use of the funds, property and other assets collected (reports on the Fund's activities);

— ensure the protection of the Donor's personal data in accordance with the legislation on personal data protection.

7.2. The Fund has the right to:

— determine independently the procedure for and areas of use or sale of unrestricted donations (funds, property, securities) within the statutory activities of

the Fund;

— refuse to accept a donation, regardless of its form, in the cases provided for in clause 4.4 of this Offer;

— amend this Offer unilaterally in the manner set out in Section 11.

8. Rights and Obligations of the Donor

8.1. The Donor has the right to:

— receive from the Fund information on the statutory activities of the Fund and on the general procedure for using donations;

— make a donation in any form specified in clause 1.5 and specify its designated purpose in the manner set out in Section 6;

— contact the Fund with questions about the use of the donation they have made, within reasonable limits that do not breach the confidentiality of other Donors and beneficiaries of the Fund;

— receive documents confirming the donation (a payment system receipt, a bank statement, a signed property or services acceptance and transfer certificate and, for legal entities, an additional certificate or confirmation letter on request), required in particular for tax accounting purposes in accordance with the legislation of Ukraine.

8.2. The Donor shall provide accurate information necessary for making the donation and, where needed, for keeping in contact with the Fund, confirm the lawful origin of the funds, property or securities donated, and not make donations using assets whose source the Donor is unable to confirm.

9. Personal Data of the Donor

9.1. By accepting this Offer, the Donor consents to the Fund processing their personal data (surname, first name, patronymic, contact details, details of the donation made) for the purposes of recording donations, reporting, communicating with the Donor and complying with legal requirements.

9.2. The Fund processes the Donor’s personal data in compliance with the principles set out in the Fund’s Beneficiary Personal Data Protection Policy, to the extent applicable to the personal data of natural persons interacting with the Fund, and with the Law of Ukraine «On Personal Data Protection».

10. Liability of the Parties and Force Majeure

10.1. For failure to perform or improper performance of their obligations under this Agreement, the Parties are liable in accordance with the current legislation of Ukraine.

10.2. The Parties are released from liability for partial or complete failure to perform their obligations under this Agreement if such failure results from circumstances of insuperable force (force majeure) that arose after the conclusion of the Agreement and that the Party could neither foresee nor prevent by reasonable measures.

11. Term and Procedure for Amending the Offer

11.1. This Offer is valid indefinitely from the moment of its publication on the Website until a new version is published on the Website or the Offer is withdrawn by the Fund.

11.2. The Fund may at any time unilaterally amend the terms of this Offer by publishing a new version on the Website. The amendments take effect from the moment of their publication and do not apply to Agreements concluded (accepted) before such publication.

11.3. The current version of this Offer is always available on the Fund's Website.

12. Dispute Resolution

12.1. All disputes arising in connection with this Agreement shall be resolved through negotiations between the Parties.

12.2. If no agreement is reached, the dispute shall be referred to a court in accordance with the current legislation of Ukraine and the established jurisdiction.
